

Welcome to the **KNAUF Akademie** - Lagos!

Training is very important for KNAUF. It is one of our key ways of re-investing in all stakeholders to ensure the complete satisfaction of the end-user. That is why in 2021, the KNAUF Akademie was founded in Lagos.

KNAUF's success is built on our four values:

Menschlichkeit. We view ourselves, our clients and everybody else involved in our actions as part of one big family.

Partnership. We trust each other and can rely on each other.

Commitment. We assume responsibility for our work and consider the effects of our decisions.

Entrepreneurship. We act pragmatically, are result-oriented and use our opportunities.

These are the same values we expect to guide both the team and visitors to the KNAUF Akademie in Lagos to make sure that we build a strong network of applicators, staff, sales people, architects and engineers in Nigeria.

Who are our Training Courses for?

If you are currently active in the construction industry or plan to become a stakeholder in this industry, our courses are for YOU!

Our regular courses are very practical and hands-on, but do offer to communicate sound theoretical basics needed for the subject matter. The courses are designed with a wide range of trainees in mind:

- architects, civil engineers and quantity surveyors
- plasterboard installers
- painters, carpenters and masons
- students

Special Courses

Special courses and sessions can be arranged on request for interested parties who find it necessary to offer their staff specialised training. We can offer training in subjects such as Fire, Acoustics, Safety Products among others. External Trainings can also be offered.

Registration for Training Courses

Registering for Training Courses at the KNAUF Akademie in Lagos can be done at KNAUF Nigeria or online via our website (address and web address on last page).

In addition to a completely-filled Training Registration form, we will require you to show an accepted Identity (ID) document e.g. driver's licence, passport, electoral commission card with which we can verify your identity for the issuing of certificates

Facilities at the KNAUF Akademie

The Lagos Training Center boasts of state-of-the-art facilities. Seminar rooms for theoretical training boast of all the necessary IT infrastructure. A showroom shows a wide range of KNAUF solutions and enables trainees better visualise their work. The practical training area is equipped with tools and machinery to train up to 20 persons per session comfortably.

Successfully Completing Your Course

We take our training courses very seriously, so to successfully complete a module, you must:

1. pass the written test
2. pass the practical test
3. actively participate in activities
4. be present at least 60% of the time

Aims of our Modules

By offering these course modules, we pursue two main aims. Firstly, we want to empower the trainee to become proficient at doing what they do, so that they can earn an income from using KNAUF products.

Secondly, our training modules aim to make your customers satisfied with the products and systems we deliver to them. Emphasis is paid on quality and paying attention to details in using KNAUF products.

Your Certificate and KNAUF Passport

In addition to a Certificate of Participation, you will receive a KNAUF Passport.

The KNAUF Passport is your personal marketing tool which gives a record of all the courses you've successfully completed at the KNAUF Akademie.

You can show this to prospective clients to let them know that you've received training from us - they can verify directly from us.

Payment

Courses at the Training Center are not free simply because what is free is not valued!

The fee paid covers giveaways, daily lunch, and training materials during the course.
